

SOLO·STEEL

SOLO STEEL

Una nuova cultura di lavabo dall'anima inconfondibilmente minimal. Newform completa la sua gamma di lavabi arricchendola con la novità SOLO.STEEL nelle due versioni, da appoggio e freestanding. Una forma perfettamente tonda, dal carattere energico e dinamico, che favorisce in modo sinuoso e armonioso il movimento e la direzione dell'acqua verso il centro del lavabo. Con Solo.Steel Newform risponde alle esigenze moderne degli ambienti bagno prediligendo un design olistico, risultato di un sapiente mélange di contemporaneità e raffinatezza.

ACCIAIO PERCHÉ SOSTENIBILE

Newform sceglie il materiale più riciclato al mondo come essenza fisica e tangibile di Solo.Steel. La completa realizzazione in acciaio conferisce a questa proposta di arredo proprietà quali durevolezza e resistenza, nonché una prestante predisposizione alla sostenibilità. La ricerca del materiale ideale si integra alla forma circolare del lavabo per un effetto di pura eleganza capace di attraversare tempi e luoghi di qualsiasi ambiente bagno.

A new culture of washbasin with an undeniably minimal soul. Newform completes its range of handbasins by enriching it with the novelty SOLO.STEEL in the two versions, countertop and freestanding. A shape perfectly round, which differs for its energetic and dynamic character and which encourages the movement and the direction of water towards the centre of the sink in a sinuous and harmonic way. With Solo.Steel Newform fulfils the modern needs of the bathroom preferring a holistic design, results of a wise mélange of contemporaneity and refinement.

STEEL BECAUSE SUSTAINABLE

Newform chooses the most recycled material in the world as physical and tangible essence of Solo.Steel. The stainless complete realisation awards to this furnishing proposal properties such as durability and resistance, as well as a high-performing aptitude to sustainability. The research of the ideal material integrates with the washbasin circular shape to give an effect of pure elegance able to cross times and places of any bathroom.

UNA VESTE VERSATILE

Newform ha da sempre portato nuance esclusive all'interno dell'ambiente bagno: suggerire e allo stesso tempo giocare con i riflessi è il plus che lega il brand agli architetti. Personalità ed esclusività permettono di creare atmosfere uniche nelle ambientazioni più creative. La dote espressiva di Solo.Steel è riassunta nelle finiture materiche di una raffinata gamma di colori che evocano il carattere poliedrico e decorativo di questo complemento d'arredo.

Fissata la costante della spazzolatura, Solo.Steel si presenta con un'estetica declinata in puro acciaio, Oro, Copper Brushed Bronze e Brushed Gun Metal. La rosa dei colori proposti si accompagna non solo alle finiture spazzolate dei rubinetti, ma anche a quelle lucide, dando un tocco unico all'arredo che diventa protagonista indiscusso all'interno della stanza.

A VERSATILE LOOK

Newform has always brought exclusive nuances within the bath environment: suggesting and playing at the same time with the reflections is the plus that connects the brand to the architects. Personality and exclusivity allow to create unique atmosphere in the most creative settings. The Solo.Steel expressive quality is summarized in the textured finishes of a refined range of colours evoking the polyhedric and decorative character of this furnishing accessory.

Given the constant of the brushing, Solo.Steel presents an aesthetics declined in pure steel, Gold, Copper Brushed Bronze and Brushed Gun Metal. The shortlist of the colours proposed combines not only with the brushed finishes of mixers, but also with the glossy ones, by giving a unique touch to the furniture that becomes undisputed protagonist inside the room.
